Groningen, 23 December 2016

**Invitation to the Annual meeting of the Nederlandse Astronomenclub /
Uitnodiging tot het bijwonen van de Jaarvergadering van de Nederlandse
Astronomenclub**

The board would like to invite you to the annual combined Scientific and Business Meeting of the Nederlandse Astronomenclub NAC, on its regular 3rd Friday in January: **Friday January 20, 2017**, at the University of Amsterdam, Room A0.08, Oudemanhuispoort 4-6, 1012 CN Amsterdam.

Scientific meeting (in English)

- 09:45 - 10:10 Welcome with coffee and tea
- 10:10 - 10:15 Opening by the chairman of the NAC
- 10:15 - 11:00 Dr. Anthony Brown – *GAIA Dr1: First science harvest*
- 11:00 - 12:00 Huishoudelijke Vergadering NAC/ Business meeting (in Dutch)
- 12:00 - 12:45 Dr. Nathalie Degenaar - The appetite of a neutron star
- 12:45 - 14:15 Lunch break (many restaurants nearby)
- 14:15 - 15:00 Dr. Jovan Veljanoski – *Substructures in the Milky Way*
- 15:00 - 15:45 Dr. Zuzanna Kostrzewa-Rutkowska (SRON) – *Gaia Transients*
- 15:45 - 16:30 Dr. Frank Pijpers - *What on earth does an astrophysicist do at an office of national statistics?*
- 16:30 - 16:35 Closing by the chairman of the NAC
- 16:35 - 18:00 Reception (De Jaren)

The scientific meeting and the NAC Business meeting (in Dutch) are open to anyone interested; as is the following reception at the nearby Café De Jaren. Enclosed you will find introductions to the presentations, travel directions, and the agenda for the business meeting.

Kind regards,

Reynier Peletier, Secretary NAC
